

## Summer School Molecular Medicine

### Summer School Molecular Medicine

| Print |

**August 29th – September 28th, 2011, Jena, Germany**

The Interdisciplinary Center for Clinical Research of the University Hospital of Jena invites young scientists from all over the world to participate in the Summer School of Molecular Medicine. The Summer School will be held from August 29 till September 30, 2010, in Jena, Germany, and will provide an excellent opportunity to get familiar with research topics of molecular medicine and modern laboratory techniques. In addition, social events will provide a setting to meet and to learn more about the cultural life in Jena and its environs.

#### Organizers

**Prof. Dr. Regine Heller**

Institute of Molecular Cell Biology  
Center for Molecular Biomedicine (CMB)  
Jena University Hospital  
Friedrich Schiller University of Jena  
Hans-Knöll-Strasse 2  
D-07745 Jena  
Germany
