# Italian Language and Culture in Venice

Ca' Foscari University of Venice

Our **PHILOSOPHY** is to provide outstanding University-level instruction within summer programs which allow students to truly experience life in Venice.

Our **EXPERIENCE** in joint international summer programs allows us to create a program that best suits your students.

Our **UNIQUE CITY** forms a study environment which is both intimate and international, and remains unparalleled.

We propose Italian language programs over June and July composed of either 40 hours in 2 weeks (€720) or 60 hours in 3 weeks (€970) of language tuition, and a Culture Class from one of the following:

*Art history*  
*Italian literature and culture*  
*History of Venice and the Veneto*

We can additionally provide accommodation at a University residence, our successful *Buddy program*, a welcome dinner, and excursions and visits such as:

**Dragon Boating in the lagoon**

**Visits to the main museums of Venice**

**Day trip to Lido Island (bike ride and lunch)**

**Tour of the city of Venice**
