Undergraduate Student-at-Large Information

An undergraduate Student-at-Large (SAL) is an individual who does not wish to pursue a degree at Northeastern Illinois University but wants to take courses for professional or scholarly reasons, personal enrichment, or to take a few courses before deciding whether to apply to a program. Undergraduate SALs are not admitted to a degree-granting program. **Undergraduate Student-at-Large applicants do not qualify for financial aid.**

Decision and Review Process

Applications are considered complete when the Admissions Office has received all required application materials, including immigration documents if required. Applications are reviewed in order based on the date the file is complete. Please read the instructions carefully for your applicant type to avoid processing delays.

General Information

- 1) A non-refundable \$30 application fee is required with the application. Any application received without the application fee will not be processed. Do not send cash.
- 2) Application and all materials, such as immigration documents, are required by the application and credentials deadline.
- 3) If you are a Permanent Resident of the United States, attach a clear copy of your Permanent Resident card. If you have been granted temporary residence, conditional entrance, or if you are a parolee, refugee, asylee, or in the process of becoming a Permanent Resident, you must submit appropriate U.S. Citizenship and Immigration Services documentation and/or copy of a valid (not expired) visa.
- 4) International students with an F1 visa may only apply as undergraduate SALs for the Summer session only. Applicants must submit a copy of their I-20, I-94, visa, and a letter from the Designated School Official (DSO) at their home school giving permission to attend and affirming the home school will take responsibility in making sure the student stays in status. J-visa holders must submit a copy of their DS-2019, I-94 and visa.
- 5) Applicants who served in the U.S. Armed Forces must submit a copy of form DD-214.
- 6) This application is valid only for the semester for which you are applying. If you do not enroll for the semester for which you applied, you will have to apply again for a future semester. If you would like to change your application to the next available semester (i.e. from Spring to Summer), you may request a changeover one time, in writing. Address your request for changeover to the Admissions Office. This request must be received by the application and credentials deadline.
- 7) A note about your Social Security number: We are requesting your Social Security number for compliance with federal and state reporting requirements. Although you are not required to provide your Social Security number, students receiving financial aid as a result of participation in a grant program should provide it to avoid delays in processing.
