Eötvös Loránd University (ELTE) in Budapest, Hungary:

ELTE (founded in 1635) is the leading research university in Hungary. It is the most popular higher education institution among applicants as well as alma mater of five Nobel laureates and leading figures in technology, public policy, and culture in Hungary.

ELTE has been participating in the program since 2013/2014 and currently there are almost 600 Stipendium Hungaricum students from 55 different countries studying in one of our degree programs fully in English at six faculties.
