EUROPEAN SUMMER UNIVERSITY AT VUM

The European Summer University at VUM aims to provide an alternative opportunity for students to develop essential knowledge and understanding as well as applied skills in the field of business management. Further, the course will provide the ideal academic environment where future business leaders can have the opportunities to share and test new ideas. The students of the EU Summer University can fast track their studies and achieve their career goals while enjoying the vibrant Bulgarian Black Sea coast and the benefits of the summer.

Varna University of Management is one of the leading business schools in Europe and in Bulgaria. VUM is ranked number 1 among over 1300 compared universities worldwide by the Umultirank.org according to the criteria International Student Mobility.

VUM campuses have great locations – our campus is located in the heart of Eastern Bulgaria, only 35km from the famous beach resort Albena and Golden Sands , and very close to numerous tourist attractions, such as ancient historical monuments, old royal residences, botanical and zoological parks.
