

**ბეირფასო კოლეგებო,**

18-20 სექტემბერს თბილისის სახელმწიფო უნივერსიტეტში (II კ) ტარდება სამეცნიერო კონფერენცია (საერთაშორისო მოწვევით) თემაზე: “სპეციფიკური თვისებების მქონე ნაერთები და მასალები სამრეწველო ნარჩენებისა და მეორადი ნედლეულის ბაზაზე”.

კონფერენცია ეძღვნება თბილისის სახელმწიფო უნივერსიტეტის 90-ე წლისთავს.

აუდიტორიების შესახებ ინფორმაციას მიიღებთ დამატებით, კონფერენციის პროგრამის დაბეჭდვის შემდეგ.

გთხოვთ მ.წ. 25 აგვისტომდე წარმოადგინოთ თქვენი მოხსენებების თეზისები (1 გვ.) ქვემოთ მოცემული ნიმუშის შესაბამისად

საორგანიზაციო კომიტეტი,

პროფესორ ნოდარ ლეკიშვილს

ტელეფონი: 995 32 294-794 (თსუ)

მობილური: 895 93 04 16

## თეზისის სათაური

*ავტორთა გვარი, სახელი*

*ინსტიტუტი ან ლაბორატორია*

*E-mail მისამართი*

დოკუმენტის ფორმატი: Microsoft Word (\*.doc) ან Rich Text Format (\*.rtf).

ყველა მინდორი: 2.5 სმ;

შრიფტი: Times New Roman ან Arial with single line spacing;

სათაური: bold 13 pt, alignment – Center;

ავტორთა გვარი: 12 pt, alignment – center, მომხსენებლის გვარი – ხაზგასმით;

ორგანიზაცია: (მხოლოდ ორგანიზაციის დასახელება მისამართის გარეშე)

და e-mail: normal 11 pt, alignment – center;

ტექსტი (ნახაზების გარეშე 300 სიტყვა): normal 12 pt, alignment – justified.

### **Dear Colleagues,**

In 18-20 September in Tbilisi State University we will carry out the conference (with International invitation) "Compounds & Materials with Specific Properties Based on Industrial Waste and Secondary Resources".

The conference is dedicated to 90<sup>th</sup> anniversary of TSU.

Would you send the abstract (1 p.) of your and your colleagues reports (please, see below the example of abstract)? Deadline: 16.08.08

Organizing Committee

To Prof. Dr. Nodar Lekishvili

Phone: 995 32 294-794 (TSU);

Mobile: 895 93 04 16

Email: lekino55@yahoo.com

## Title of Abstract

*Authors Name*

*Department or laboratory*

*Institution*

*E-mail.adress*

**Document format:** Microsof Word (\*.doc) or Rich Text Format (\*.rtf). All margins: 2.5 cm.

**Font:** Times New Roman or Arial with single line spacing.

**Title:** bold 13 pt, alignment – Center.

**Authors' names:** *italic* 12 pt, alignment – center, name of the speaker should be underlined. **Company** (only name of the organization without its address) and e-mail: normal 11 pt, alignment – center.

**Text** (without pictures maximum 300 words): normal 12 pt, alignment – justified.

## Organizing committee of conference

- G. Tsintsadze** – Honorary Chairman of the Organizing Committee of Conference, Academic Secretary of the Department of Chemistry and Technology of the NAS of Georgia, Professor, Doctor of chemical sciences;
- Sh. Samsonia** – Co-Chairman of the Organizing Committee of Conference, Faculty of Exact and Natural Sciences of Tbilisi State University (TSU), Professor, Doctor of chemical sciences; Corr.-member of GNAS,
- N. Lekishvili** – Co-Chairman of the Organizing Committee of conference, Vice President of the Chemical Society of Georgia; Faculty of Exact and Natural Sciences of TSU, Professor, Doctor of chemical sciences;
- B. Arziani** – Associate Professor, Leader of Direction of Medical Chemistry of Tbilisi State Medical Institute, Doctor of biological sciences;
- E. Buadze** – Akaki Tsereteli Kutaisi Technical University, Professor; Doctor of technical sciences;
- R. Gakhokidze** – Associate Professor, Faculty of Exact and Natural Sciences of TSU, Professor; Doctor of chemical sciences;
- D. Gventsadze** – Rafael Dvali Institute of Machine Mechanics, PhD;
- R. Gotsiridze** – Shota Rustaveli Batumi state University, Director Institute of Membrane Technology, PhD
- E. Elizbarashvili** – Georgian Technical University, Full Professor, Doctor of Chemical Sciences;
- R. Katsarava** – Head of the Center of Biomedical Materials, Georgian Technical University, Professor, Doctor of chemical sciences;
- R. Kublashvili** – TSU, Doctor of chemical sciences;

- T. Marsagishvili** – Head of Laboratory of R. Agladze Institute of Inorganic Chemistry and Electro Chemistry, Doctor of chemical sciences;
- L. Nadareishvili** – Institute of Cybernetics, Doctor of chemical sciences;
- M. Trapaize** – Faculty of Exact and Natural Sciences of TSU, Doctor of chemical sciences.
- V. Tsitsishvili** – Georgia, Director of Petre Melikishvili Institute of Physical and Organic Chemistry, Corr.-Member of NAS of Georgia, Professor, Doctor of chemical sciences;
- D. Tugushi** – Head of the Laboratory of Macromolecular Chemistry, Faculty of Exact and Natural Sciences of TSU, Doctor of chemical sciences.

### Scientific Committee of Conference

- Witold Brostow** – Honorary Chairman of the Scientific Committee of Conference, USA, Denton, North Texas University, Chair of the Scientific Committee of World Forum on Advanced Materials – “POLYCHAR”, an Honorary Member of GCS, Professor;
- V. Tsxovrebashvili** – Chairman of the scientific committee of the conference. Coordinator of the Direction of Chemistry, Faculty of Exact and Natural Sciences of TSU, PhD;
- U. Gafurov** – Uzbekistan, Institute of Polymer Physics and Chemistry UNAS, Professor, Doctor of Chemical Sciences;
- S. Gotsiridze** – Nova Science Publishers (USA), Regional Manager;
- I. Chikvaidze** – Georgia, Associate Professor, Department of Chemistry, Faculty of Exact and Natural Sciences of TSU, Doctor of Chemical Sciences;
- S. Davtyan** – Armenia, Head of the Department of theoretical chemistry of the State Engineering University of Armenia, Professor;
- A. Dolidze** – Georgia, Head of the laboratory of Petre Melikishvili Institute of Physical and Organic Chemistry, Professor; Doctor of Chemical Sciences;
- G. Krichevsky** – Russia, Professor, Doctor of Technical Sciences; Moscow Textile Institute;
- O. Mukbaniani** – Georgia, Associate Professor, Faculty of Exact and Natural Sciences of TSU, Professor;
- N. Makhviladze** – Georgia, Director of Techninform, PhD;
- Z. Pachulia** – Georgia, Sokhumi University; Full Professor Doctor of Chemical Sciences;
- N. Prorokova** – Russia, Dr., Institute of Solution Chemistry of RAS;
- V. Jafarov** – Azerbaijan, Vice Director of the Sumgaiti Institute of Polymer Materials;
- K. Japaridze** – Georgia, Institute of Cybernetics, Academician;

### Conference Secretariat

- T. Tatrishvili** – Executive Secretary of organizing committee, PhD, TSU;
- Kh. Barbakadze** – Laboratory assistant, Faculty of Exact and Natural Sciences of TSU;
- I. Botchoidze** – PhD, associate Professor, Akaki Tsereteli Kutaisi State University;
- M. Gakhutishvili** – PhD, laboratory assistant, Faculty of Exact and Natural Sciences of TSU;
- A. Dundua** – Magistrate, Faculty of Exact and Natural Sciences of TSU;

- E. Katsadze** – PhD, Head of the laboratory of Organic Chemistry; Faculty of Exact and Natural Sciences of TSU;
- N. Kavtaradze** – PhD, Petre Melikishvili Institute of Physical and Organic Chemistry;
- M. Kezherashvili** – PhD, Faculty of Exact and Natural Sciences of TSU; INTERPLAST;
- N. Kokiashvili** – PhD, Faculty of Exact and Natural Sciences of TSU;
- E. Kakabadze** – PhD, Laboratory assistant; Faculty of Exact and Natural Sciences of TSU;
- T. Lobzhanidze** – PhD, Head of the laboratory of Organic Chemistry; Faculty of Exact and Natural Sciences of TSU;
- O. Lekashvili** – Laboratory assistant; Faculty of Exact and Natural Sciences of TSU;

### **Sessions:**

#### **Plenar Session:**

**Session I:** Bioactive and Catalytic active Compounds based on Secondary Resources;

**Session II:** Materials with Specific Properties based on Industrial Waste and Secondary Resources;

**Session III:** Advanced (micro and nano) Materials and Compounds based on Industrial Waste and Secondary Resources

#### **Invited lecturers on the plenar session:**

**Witold Brostow** –USA, Prof. Dr., Denton, North Texas University; Chair of the Scientific Committee of World Forum on Advanced Materials – “POLYCHAR”;

**Natalia D. Oltarzhevskaja** – Russia, Prof. Dr., Moscow Textile Institute;

**German E. Krichevski** – Russia, Prof. Dr., Moscow Textile Institute;

**Valeh Jafarao** – Azerbaijan, Dr. Chem. Sciences, Azerbaijan, Vice Director of the Sumgaiti Institute of Polymer Materials;

**Ulmaz Gafurov** – Uzbekistan, Institute of Polymer Physics and Chemistry UNAS, Professor, Doctor of Chemical Sciences;

**Ramaz Katsarava** – Georgia, Head of the Center of Biomedical Materials, Georgian Technical University, Professor, Doctor of Chemical Sciences;

**During the Conference discussion about actualy problems on the utilization of industrial waste and secondary recources of the Sought Caucasus region will carry out.**

**The Organizing Committee of the Conference will carry out excursions and non-formal meetings of the participants.**
