**3<sup>rd</sup> International Conference on Non-Communicable Diseases  
HEALTH RISK FACTORS AND PREVENTION OF INJURES AND  
DISEASES**

This is an excellent opportunity to invite our international and national partners, to bring together well-known senior experts and talented junior researchers to discuss new research, ideas, and approaches. We expect a lively exchange of information in all subjects related to prevention and control of non-communicable diseases and injuries. Our hope is to foster collaborations and partnerships through our time together.

Conference will be held on June 05-07, 2019 in Chisinau, Republic of Moldova. Additional information (program, time and place, access, etc.) will be announced in advance (30 days) before the conference.

**Areas of interest for this Conference include following topics:**

1. Non-communicable diseases and injury as a public health problem.
2. Non-communicable diseases and health risk factors.
3. Strategies for prevention and control of non-communicable diseases, traumatic injuries, and violence.
4. Promote international collaboration on non-communicable diseases and injury research and practice.
5. Role of health promotion and individual responsibilities.
