

TAMAR ALEKSIDZE

Asistent professor, Department of Geography
Chair of Nature Management Geography

e-mail: tamar.aleksidze@tsu.ge

Phone (office): +995 32 225 15 47

Phone (mobile): +995 593 37 17 14

EDUCATION

- ❖ (1981-1986) State University of north Ossetia - Faculty of Physical Geography

SCIENTIFIC DEGREE and RANK

- ❖ Degree of candidate of science in Geography, candidate of science of Geography (equalized of doctor's degree)

WORK EXPERIENCE

- ❖ 1989-1991 Ivane Javakhishvili Tbilisi State University, laboratory assistant of chair of Physical Geography and Environment protection
 - ❖ 1991-1998 Ivane Javakhishvili Tbilisi State University, Senior laboratory assistant of chair of Physical Geography and Environment protection
- ❖ 1998-2006 Ivane Javakhishvili Tbilisi State University, Assistant of chair of Physical Geography and Environment protection
- ❖ 2006-2017 Ivane Javakhishvili Tbilisi State University, Assistant Professor of chair of Physical Geography and Environment protection

RESEARCH INTERESTS

- ❖ Scientific reserch of aggravated ecological problems caused by anthropogenic pressure on landscapes
- ❖ Search of natural environment, static (balanced) development of society and optimization of natural management
- ❖ Search of natural calamity

TEACHING COURSES

- ❖ Physical geography of Georgia
- ❖ Transformation of natural environment
- ❖ Physical geography of the world
- ❖ Regional physical geography

- ❖ Historical-geographic provinces of Georgia

COMPLETED GRANT PROJECTS

- ❖ Creating interactive historical-geographic map, reference book and illustrative data bank of Georgian architecture monuments which are located out of Georgia's borders. National state fund project of Rustaveli N⁰17/05

SELECTED PUBLICATIONS

Monographs

- ❖ Aleksidze T. „Landscapes of Shida Kartli“ (analyze and synthesis). Publisher: „Universali“. (Book is intended for universities). Tbilis, 2008
- ❖ Aleksidze T., Rukhadze N. „Physical geography of Georgia“. (Book is intended for practical-seminar studies). Tbilisi, 2010
- ❖ Seperteladze Z., Davitaia E., Aleksidze T., Rukhadze N. „Geography for ecologists“. Tbilisi, 2013
- ❖ Seperteladze Z., Margvelani G., Davitaia E., Paichachadze N., Aleksidze T. „Physical geography of the world“ (continents and oceans). Tbilisi, 2013
- ❖ Aleksidze T. North America – „Geography of the world“. Publisher: „Globusi“. Tbilisi, 1991
- ❖ Aleksidze T. Rivers and lakes of Georgia – „Geography of Georgia“. Publisher: „Okros Kalami“. Tbilisi, 1992
